

2023 Icon's BRUNCH

**CELEBRATING IMPACTFUL MEMBERS OF
SAN ANTONIO'S LGBTQ+ COMMUNITY**

UIW ROSENBERG SKYROOM

JUNE 11th | 11:30am-3:00pm

A message from our Executive Director

Welcome to Pride Center San Antonio's 2023 Icon's Brunch & Awards. We are ecstatic to celebrate our 12th year serving San Antonio and honor impactful members of our LGBTQ+ Community. Now more than ever we know the impact that strong leaders make when they advocate and stand in solidarity with the LGBTQ+ community. The Center continues to grow our programs, including our case management, individual and family counseling, group therapies, and peer-led groups as well as being the resource hub for the LGBTQ+ community in San Antonio and surrounding areas. While we've seen the landscape for LGBTQ+ people improve over the past decade, the continuous attacks on our community, especially our Transgender siblings, require our presence in the community more critical than ever. Make no mistake that the LGBTQ+ community still experiences acts of discrimination, higher rates of unemployment, and a lack of resources. Through your continued community support, we have reached thousands of community members and allies through our programs, community events, direct services and Safe Zone training. As we reflect on the 12th year of service to the community we are in awe with the growth and progress of The Center, but also realize there is so much more to do and we can't do it without you. Again, welcome and thank you for being part of helping us continue our growth to become a more resilient and affirming city.

In community,

Robert Salcido, Jr. | Executive Director

Expect more.
